STANDING ORDER NO. ०३/2021

Sub: Recall of assessed /RMS facilitated Bills of Entry for goods under CTH 2710 - application of Notification No. 190/78 Cus. - Reg.

Special CVD is applicable vide Notification No. 190/78-Cus. dated 22.09.1978 for import of transformer oil falling under CTH 2710 and ICES is applying the duty on all items of CTH 2710 irrespective of the description. The Importers and Customs Brokers are approaching Port Assessment Groups (PAG) for removal of duty erroneously charged. The Bills of Entry are being recalled by PAG after obtaining permission of Joint/Additional Commissioner, which is delaying the clearance of the cargo. A reference has been made to the Board and Notification is likely to take some time.

2. In these cases it is instructed that recalling and amendment may be carried out by the respective Assistant/Deputy Commissioner in charge of the Assessment Groups without moving files for approval to the Joint/Additional Commissioner, in line with ease of doing business and to facilitate speedy clearance.

3. The above instructions are to be followed while recalling the Bills of Entry.
