**OFFICE ORDER No. 04/2021**

**Subject: Monitoring of Orders of Commissioner (appeal), CESTAT,  
High Court and the Supreme Court - reg.**

It has been brought to my notice that even though many of the orders have been issued by Commissioner (Appeal), CESTAT, High Court and the Supreme Court, still these are shown as pending in the MPR. Recently, some of the orders of the CESTAT were put up which were issued by CESTAT in 2016. It is the responsibility of Group officers of concerned sections to monitor each and every case from the website of CESTAT, High Court and the Supreme Court regarding their pendency status. Delay in processing of the judicial order put department at disadvantage in filing appeal to the next higher forum. Therefore, all concerned sections should check the pendency status of each and every case shown in the MPR and should ensure that the moment orders are issued, they are put for further necessary action. As one-time exercise, real pendency status should be checked in all the cases and wherever orders have been issued, same should be put up by 31 May, 2021 without fail.

All group officers should certify that pendency shown in MPR are correct pendency. Failure in this regard may lead to disciplinary action.
