STANDING ORDER NO. 34/2020

Attention of all Officers and Staff under Import-I Commissionerate of New Custom House is invited on Circular No. 03/2016-Cus dated 03.02.2016 on extending the Indian Customs Single Window to other locations and other Participating Government Agencies. The circular, inter-alia, states the following:

"Lab Module which was to bring online the process of referring samples of consignment for testing and analysis to testing facilities of the Central Revenues Control Laboratories (CRCL), has been extended for the testing of consignments by laboratories/referral agencies under the Textile Committee, and to other Agencies to whom Customs may refer samples/documentation for testing and/or NOC".

2. However, it has been observed that the Lab Module is not being used by the Officers working in field formations for referring the samples to Textile Committee. This is one of the major bottlenecks identified of Time Release Study (TRS) 2019-20 which states that processes are entirely manual for the Textile Committee.
3. All officers are hereby directed to mandatorily use Lab Module for all samples forwarded to Textile Committee for testing in accordance with the rules and regulations as amended time to time.
4. Difficulties faced, if any, may please be immediately brought to the notice of the Deputy Commissioner of Customs, Appraising General Section, Import-I, NCH.

6/10/2020

(Manoj Kumar Kedia)
Commissioner of Customs,
Import – I, Mumbai Customs Zone-I

Copy to:

1. The Principal Chief Commissioner of Customs, Mumbai Zone-I
