Subject: Monitoring of Shipping Bills where EGM not filed/erroneously filed - reg

Attention of all Exporters, Customs Brokers, Shipping Agents and other stakeholders is invited to Section 41 of the Customs Act 1962

"The person-in-charge of a conveyance carrying export goods or imported goods or any other person as may be specified by the Central Government, by notification, shall, before departure of the conveyance from a customs station, deliver to the proper officer in the case of a vessel or aircraft, a departure manifest or an export manifest by presenting electronically, and in the case of a vehicle, an export report, in such form and manner as may be prescribed and in case, such person-in-charge or other person fails to deliver the departure manifest or export manifest or the export report or any part thereof within such time, and the proper officer is satisfied that there is no sufficient cause for such delay, such person-in-charge or other person shall be liable to pay penalty not exceeding fifty thousand rupees"

It is observed that large number of shipping bills filed from INBOM1 port are kept pending in EGM/EGM_ERR state which causes delay in receipt of export incentives to the exporter. Accordingly, to ensure proper monitoring, the following Standard Operating Procedure (SOP) is devised:

1. Export Assessment Section/EGM Coordination Cell is assigned the task of monitoring of shipping bills with EGM/EGM Errors.
2. A Public Notice shall be issued periodically containing the list of shipping bills which were granted LEO but where EGM is not filed/filed with error. The list of such shipping bills having LEO dates between 01.01.2021 to 31.03.2025 are enclosed with this Public Notice as **Annexure A**.
3. All the Exporter, Customs Brokers, Shipping Agents can take note and get the EGM errors removed or EGM filed as per the prescribed timeline.
4. Subsequently, the defaulter Shipping Agents from the above lists who fail to get EGM filed/corrected within the prescribed time period shall be proceeded against by issue of show cause notice and the same shall be adjudicated by AC/EGM Coordination under the relevant provisions of the Customs Act, 1962.

5. A similar monitoring exercise will also be conducted periodically for Gateways EGMs pertaining to SEZ export shipping bills which are "Allowed for shipment" from INBOM1 port.
6. All Exporters, Customs Brokers, Shipping Agents shall ensure that EGM is correctly filed for all shipping bills after completion of all formalities (i.e. LEO, "Allowed for shipment" in gateway port, as applicable).
7. This public notice should be considered as Standing Order for the officers and staff of Export Commissionerate, New Custom House, Mumbai Customs Zone - I.
8. In case of any difficulty, the Shipping Lines/Steamer Agents may contact Smt Meenakshi Salvi, Assistant Commissioner of Customs, EGM Coordination.
